BASKETBALL PLAYOFF ELIGIBILITY

Basketball is by far the largest sport in the CYM athletic program. Of the 500 plus teams that participate year round, 250 are from the basketball program.

The online registration and affiliation rules have provided parishes with the ability to register only those individuals approved for their program yet we continue to see violations of the affiliation rules at the parish level. This past year, an individual who is non-Catholic and lives in Elkton, MD was allowed to register and participate in tryouts for a parish in North Wilmington. In another case, an individual who lives in the Prices Corner area was allowed to register and participate in tryouts for a parish in the Newark area.

The problem is not the fault of the individual but the failure of parishes to follow rules.

In an effort to clean up this ongoing problem that arises each year, CYM is considering the following rules:

In the CYM Varsity C and Y divisions where playoffs are held, a team will be eligible for playoffs as long as all individuals listed on the team roster meet the following criteria:

- The individual attends the parish school
- The individual is registered in the parish religious education classes no later than September 30th of the program year and is attending those classes
- The individual lives within the geographical area of the parish as defined by CYM

PROPOSAL FOR 2010-2011 VARSITY BASKETBALL PLAYOFF TEAM ELIGIBILITY RULES

During the 2009-2010 basketball season, CYM offered recommendations for playoff team eligibility with the intent of instituting these recommendations as rules for the 2010-2011 program year.

These recommendations – and any rule change – apply only to the varsity boys and varsity girls basketball playoff teams that are in playoff divisions.

Player Eligibility

Individuals are eligible to play on varsity boys' and varsity girls' basketball teams only if one of the following statements is correct:

- a. The family of the participant is a registered *and* active member of the parish on or before September 1st of the program year. *The pastor of the parish is responsible for determining if the family is an active member of the parish and criteria can include attending Mass or other parish services and/or participating in parish activities and/or contributions through weekly envelopes.*

Or

- b. The young person attends the parish school, regional Catholic school or Consolidated Catholic school.

Or

- c. The young person attends Religious Education classes at the parish.

Or

- d. The young person is a registered *and* active member of the parish that does not sponsor basketball and has therefore been assigned to a different parish by CYM. All related affiliation rules apply

Or

- e. The young person played on the JV level during 5th and/or 6th grade as part of the CYM athletics program.

Or

- f. The young person played on the JV level during 5th and or 6th grade in either the Holy Cross, St. Anthony JV league, St. Edmond Boys league or St. Elizabeth Girls league.

Playoff Team Eligibility

For a CYM varsity boys' or varsity girls' playoff team to be eligible for CYM varsity playoffs, the team roster may not exceed three (3) individuals from option e or f as listed above. This will ensure that each parish playoff team has parish members or students from the parish school or student from the parish religious education playing in the games at all times.

Playing Time

CYM Athletic Handbook rules state that "each parish/school is responsible for monitoring teams to ensure that children participate (meaningful playing time in each contest) and have the opportunity for a positive experience in a Christian atmosphere."

2009
in-effect

VARSITY PLAYOFF ELIGIBILITY RULES

Beginning with the 2010-2011 program year, the following rules will be in effect for varsity boys' and varsity girls' basketball teams that are in playoff divisions only. **IT IS STRONGLY RECOMMENDED THAT PARISHES INSTITUTE THESE RULES INTERNALLY BEGINNING WITH THE 2009-2010 BASKETBALL SEASON.** These rules do not apply for varsity boys' and varsity girls/ non-playoff divisions.

Individuals listed on the playoff team roster must fall into one of the below categories:

CATEGORY A – PARISH MEMBER – An individual whose family member is a registered AND active member of the parish of the team (i.e. The individual is listed on St. Thomas roster must be a registered AND active member of St. Thomas parish). A parent/guardian of the player must be must be registered no later than September 1st of the current program year AND be active members of the parish as determined by the pastor of the parish. The pastor of the parish is responsible for determining if the family is an active member of the parish and criteria can include attending Mass or other religious services and/or participating in parish activities such as parish bazaar and/or contributions through weekly envelopes.

1. Individuals that are registered AND active members of the 4 parishes connected to Regional School Christ the Teacher will be eligible for Christ the Teacher teams under this category.
2. Individuals that are registered AND active members of the 2 parishes connected to Consolidated School Pope John Paul II will be eligible for Pope John Paul II teams under this category.
3. An individual that is registered AND active members of a parish that does not have a CYM basketball team and has been approved by CYM is eligible under this category. For example, an individual that is a registered AND active member of Holy Child parish which does not have CYM basketball and is assigned to Immaculate Heart of Mary parish by CYM is eligible for IHM parish under this category.
4. If an individual is a parish member of another parish that has basketball teams, the individual would not be eligible under this section. For example, an individual that is a parish member of St. Matthew that has basketball teams and is requesting to play for St. Catherine. The individual would not qualify for St. Catherine playoff team under this category but could qualify under Category D Exceptions below.

CATEGORY B – RELIGIOUS EDUCATION STUDENT – A student in the parish religious education program of the parish team beginning in September of the program year would be eligible under this category. This means the religious education classes must be the same parish as the parish team. For example, an individual that attends religious education classes at St. John the Beloved would be eligible under this category for St. John the Beloved basketball teams. The individual in this case would not be eligible for Resurrection basketball teams under this category however could be eligible under Category D Exceptions below. The Director of Religious Education must confirm that the player has attended classes on a regular basis since the beginning of the religious education school year and is in good standing. Since not all parishes have religious education classes, it is the responsibility of the Director of CYM Sports to make a ruling on the eligibility of the individual under this section if questions arise.

CATEGORY C – STUDENT IN THE PARISH SCHOOL – The individual must be a student in the parish school.

CATEGORY D – EXCEPTIONS – Individuals would qualify under this section if they:

- played for a JV (5th/6th grade) basketball team of the parish in the CYM JV basketball program
- played on the parish JV (5th/6th grade) team of the parish in the St. Edmond Boys or St. Elizabeth Girls JV basketball league
- played in the Holy Cross (5th/6th grade) in-house basketball program.

No other exceptions are permitted.

Any request for an exception to the above rules must be submitted to the CYM office and reviewed by the CYM Athletic Advisory Committee. The AAC will then make a decision on request. The AAC will not consider a request for an exception if parish has more than one team and there are enough players to field a playoff eligible team.

5. "O" DIVISION - Teams in "O" Division will be placed in sub-divisions as needed. (i.e. "O-1"/"O-2"/"O-3") In the "O" Division, all suited players must play the equivalent of one (1) quarter unless CYM or the coach of the team has taken disciplinary action against the individual. Failure to comply will result in a forfeit. An exception to the mandatory play rule will be for illness, injury or disciplinary action. Teams in "O" Division will play a ten (10) game schedule with no playoffs. This does not prevent teams in "O" Division from playing in post-season tournaments sponsored by parishes/schools. If a #1 team from a parish/school feels they are so weak that they could not play in the "C/Y" Division, they can request in writing detailing the reason for the request to play down in "O" Division.

NOTE – There have been concerns raised in the past about #1 teams in the "O" division that are considerably stronger than other "O" teams which are generally 2nd, 3rd, 4th level teams. Requests to allow #1 teams in the "O" division will need to provide strong documentation for the request to be approved. If approved, the team cannot move up to play in the playoffs.
